LR 30
LB 147, 310

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, Senator Marvel asked unanimous consent to have amendments printed in the Journal.

PRESIDENT: We go to item 9, Senator Maxey's request to withdraw LB 147.

SENATOR MAXEY: I'd like to lay that over, Mr. President, until next Tuesday, please.

PRESIDENT: Thank you. Is there an objection? It will be laid over until Tuesday. We go to item B, a motion to report a bill out not withstanding the action of the committee. Senator Bereuter, did you want to discuss this? Is this your motion? I beg your pardon? Senator Fowler. Alright.

CLERK: Mr. President, the motion is as follows: I move to place LB 310 on General File in accordance with Rule 3, Section 10b of the rules of the Nebraska Legislature.

SENATOR FOWLER: Is the Speaker here by any chance?

PRESIDENT: Raise your point.

SENATOR DeCAMP: Mr. President, Rule 7 would stipulate that this has to be...this motion has to be in the Journal for one day.

PRESIDENT: Where is this?

SENATOR DeCAMP: Page 39, motion to advance bills from committee. "When any of the following motions shall be made any action on such motion shall be delayed at least one legislative day and the motion shall be printed in the Legislative Journal". A, B, and C. B is motion to advance bills from committee.

PRESIDENT: When was this motion filed with the Clerk?

CLERK: It was filed yesterday, but it was not placed in the Journal.

PRESIDENT: I think the absolute requirement is that it be filed at least one legislative day. It should be placed in the Journal. The failure to place it in the Journal should not penalize the filer. It seems to the Chair, therefore, that....

SENATOR DeCAMP: I found out we've got the votes to do it today, so....

PRESIDENT: I beg your pardon?

SENATOR DeCAMP: Whatever ruling you want, it doesn't matter, either way.

PRESIDENT: Well the purpose of printing it is to give notice. Now it is on the agenda and it was in the paper, but the mover complied with the rule.

SENATOR DeCAMP: Right.
